Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
<p>To improve rates of progress for pupil premium children in writing.</p>	<p>Teaching Assistant (TA) with focussed intervention for identified children work.</p>	<p>Children have different barriers to learning and require 'top ups' or have 'gaps' in their knowledge that requires 1:1 or small groups intervention in addition to quality first teaching.</p>	<p>Half termly meeting with SENCo to ensure the provision is correct and having an impact.</p> <p>Monitoring intervention sheets.</p>	<p>RW BHG DA</p>	<p>December 19 April 20 July 20</p>
<p>Improved attainment in all areas of English and Maths for PP children identified as being below age related expectations at end of year pupil progress meetings.</p>	<p>Use of teaching assistants to support progress in lessons when present. Increased interventions by teaching assistants in English and Maths to fill in gaps as identified by teacher's assessments within lessons. Aim to do intervention on same or following day as deemed appropriate.</p>	<p>We want to provide extra support to achieve age-related attainment in all main areas. Small group interventions with highly qualified staff have been shown to be effective, as discussed in reliable evidence sources such as Visible Learning by John Hattie and the EEF Toolkit. We want to combine this additional provision with some 'aspiration' interventions such as talks from successful former pupils.</p>	<p>Regular assessment of children's attainment by class teachers and monitored by PP Champion. Regular monitoring of intervention sessions and the effectiveness of these to by PP Champion and subject leads. Monitoring progress and attainment of individual children. Pupil progress meetings.</p>	<p>RW Class teachers. Subject leads.</p>	<p>December 19 April 20 July 20</p>
