

Google Classroom Log In

Visit: <https://classroom.google.com/>

Log in using your child's email:

All children have been given a personal email that they will need to use to log in to their Google Classroom account.

Your child's email is: child's full first name, followed by child's first initial of surname, followed by their school intake year (see below), followed by '@cuckney.notts.sch.uk'.

Intake year for Year 1 children = 19

Intake year for Year 2 children = 18

Example:

The email for John Smith in Year 1 would be: johns19@cuckney.notts.sch.uk

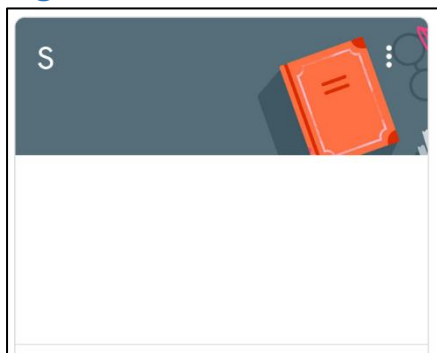

The email for Joe Bloggs in Year 2 would be: joeb18@cuckney.notts.sch.uk

Exceptions: If child's first name is double barreled, please include the hyphen e.g. Ellie-May Brown in Year 2 → ellie-mayb18@cuckney.notts.sch.uk OR if child has two first names, separate with a dot e.g. Bobby Joe Turner in Year 1 → bobby.joet19@cuckney.notts.sch.uk

The password for all children when first signing in is: **password**

The children will be prompted to change their password to their own personal password when they first log in. Please help your child to choose an appropriate password that they will remember. It is advisable that you make a note of this somewhere. School will not have a copy of children's personal passwords once set.

You should now be able to 'enter' the Sherwood classroom. This is signified with the letter 'S':

You will now have access to any work or messages that your teachers have posted.

If you have any problems with access to Google Classroom or with logging in, please contact Miss Worboys as soon as possible.
