RE: Further Outbreak Management measures

Dear Parents,

Further to my letter sent yesterday, I am writing again to update you on what actions we now need to take due to further cases of Coronavirus in the school. Further action begins on Friday 14th January and will be reviewed after 2 weeks. Advice has been sought once again from Notts Public Health and arrangements will be as follows -

- **Welbeck class will become a 'bubble' and so have to relocate classroom again into the hall.**
- **Breakfast club will be cancelled for all pupils. Given the number and job roles covered by staff absence, breakfast club staff have been temporarily reallocated roles to ensure school can remain open for all pupils. I fully appreciate the inconvenience caused by this but if this action isn't taken, school would be forced to close.**
- **All after school clubs will be cancelled as the hall is required to accommodate Welbeck class.**
- **School transport will be available as normal. Children must wear a mask.**

If your child shows any symptoms for the benefit of the whole school community, we ask that you keep them off school and get a PCR test as soon as possible.

We hope that you do appreciate that we do not take these decisions lightly and do it with the desire to keep everyone safe and healthy and to avoid cases in other classes.

Many thanks for your continued support,

Mrs Lisa Crossland
Head Teacher
