### **RE: Arrangements for school reopening**

Dear Parents / Carers,

I write once again with information regarding the arrangements for the wider opening to pupils over the course of this term.

I hope you were able to read the letter from Colin Pettigrew, sent out yesterday. It gave further detail of the timing and reasons for the changes to the original plans late last week. With all information taken into account, school leaders feel confident that we are in a position to reopen school initially to **Year 6 pupils only** on Monday 15<sup>th</sup> June 2020. It will not be viable to offer places to year 1 or reception pupils as originally thought, given the very low number of families wanting to take up the offer of a place.

Should there be no further changes, the term may plan out as follows -

1. From Monday 15<sup>th</sup> June, we plan to invite **year 6 pupils only** into school.
2. We will then re-evaluate provision and revise opening to other year groups over the course of the half term.
3. It is most likely when we can offer further places this will be to **Year 5**, possibly from Monday 29<sup>th</sup> June.
4. Following this, we may be able to offer places to **year 4** from Monday 13<sup>th</sup> July.
5. It is very unlikely the school can offer places to all children for the last 4 weeks of term unless there are significant changes around social distancing announced by the government. Therefore, we anticipate along with R and year 1 pupils, that year 2 and 3 pupils are unlikely to attend school before the summer break.
6. Please bear in mind these are only plans!

7. Finally, should you be a 'Critical worker' who has previously managed childcare yourself and given a return to work, now requires a place, please complete and return the form on the website to [head@cuckney.notts.sch.uk](mailto:head@cuckney.notts.sch.uk).

### **Home learning**

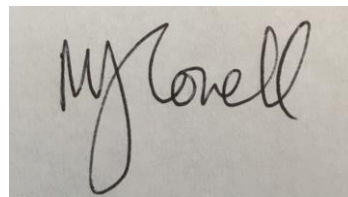

As already explained, home learning will continue to be provided on the school website for all year groups. Teachers will plan weekly for literacy and numeracy and share the same planning with parents that they will teach to the year groups attending school. This allows us to maintain a consistent approach as both children at home and school will receive the same learning opportunities. Should parents need any support with this, class teachers are more than happy to help. While we appreciate this may cause stress to parents, please know that we think you have done an amazing job so far.

Once again, I would like to take the opportunity to thank you for supporting the school over recent weeks and supporting your child with their home learning. Please feel free to contact me via email should you have any further queries or concerns at [head@cuckney.notts.sch.uk](mailto:head@cuckney.notts.sch.uk)

Yours sincerely,
