RE: Year 3 and 4 swimming

Dear Parents and Carers,

We hope this message finds you well.

Having listened to parental feedback, we are writing to inform you of a change to the transport arrangements following swimming sessions. Due to a higher than usual number of pupils requiring transport back to school, we will now be providing **school transport for all children** after swimming.

means that **all pupils will return to school by bus**, and those who were previously collected directly from the swimming baths should now be collected from school instead.

Please note that, due to the timing of the swimming session, the bus may arrive back at school **a few minutes later than the usual end of the school day**. We appreciate your understanding and patience as we ensure all children return safely.

Thank you for your continued support.

Kind regards,

Mrs Lisa Crossland
