Website Photos

Dear Parents and Carers,

On **Monday 2nd June**, we will be having photographs taken for our **school website**. These images will be used to showcase life at our school, and we would like all children to be included where permission allows.

To help us prepare for the day, please note the following important information:

- **Uniform:** Please ensure your child comes to school in their **full, correct uniform**.
- **Instrument Lessons:** Children who take music lessons with **Mr. Woffindon** should bring their musical instrument
- **Forest School:** A small number of children will be asked to bring their **Forest School kit**. If your child has been selected, we will inform them directly.

We will be using the **photo permissions held on Arbor** for this event. If you are unsure whether your permissions are up to date, please check your Arbor account as soon as possible.

Children **without photo permission** will be given a **wristband** on the day so photographers are aware not to include them in any images.

If your child is **new to the school**, please contact the school office to confirm that we have the correct photo permissions in place.

Thank you for your support in helping us prepare for this exciting day.

Kind regards,

A handwritten signature in black ink that reads "L.C. Crossland".
