RE: Parent Voice

Dear Parents / Carers,

We pride ourselves on listening to and responding to parent views. Recently we have been made aware that some parents may have concerns that they are not quite sure how to share with us. It is with this mind we would like offer a number of opportunities to enable parents to share any worries or concerns – or even points to celebrate! We hope that by offering different means of communication we ensure parent view is accessible for all.

The opportunities we are offering are –

Tuesday 6th May –

Mrs Margaret Lovell (Chair of Governors) will be available on the playground at the end of the day to informally chat with parents. Please feel free to approach her if there is anything you would like to share.

Thursday 15th May –

We are holding a parent view surgery. The event will take place in the school hall at 5.30pm and will allow parents to chat face to face with staff/governors regarding any feedback you may have. Attending will be myself as Headteacher, Miss Worboys as newly appointed Deputy Head and Mrs Melanie Johnson as Parent Governor. We aim to make this an informal evening where parents come and go as required. No appointment necessary. Refreshments will be served. The surgery will close at 6.30pm. Should you wish to speak to someone and can't make the event, please get in touch via head@cuckney.notts.sch.uk

Google forms –

For those parents who can't access any of the other opportunities to communicate with us, we would still like to hear your thoughts and feedback. To ensure everyone has the opportunity to respond, there will also be a 'Google form' survey that can be complete from the comfort of your own home that can be filled in at a time to suit you. The link to this online survey will be sent out next week.

Ongoing –

We are pleased to announce the launch of our new school email entitled 'Help and Support'. Parents are invited to use this to share and questions, concerns or queries they may have. We will aim to respond to all enquiries to this specific email within 48 hours. This email is HAS@cuckney.notts.sch.uk

We ask that when giving your feedback, you are clear about the facts and that concerns are rooted in evidence. This will allow us to respond and plan action appropriately.

Kindest regards

L C Crossland
