

SCIENCE SELFIE COMPETITION

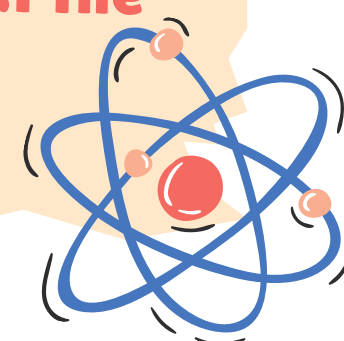

**Science is
EVERYWHERE!**

**British
Science
Week
2025**

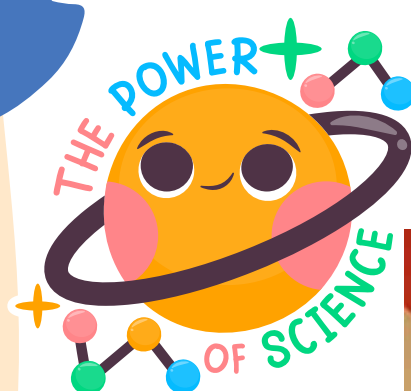

HOW?

To encourage you all to think like scientists, we are holding a 'Science Selfie' competition! We would like you to take a photograph and then, in one sentence, explain how it is science! Don't forget, science is **EVERYWHERE** in our every day lives... you could plant seeds, make slime, find signs of spring, look at the effects of exercise on your body, bake... the possibilities are endless!

WHEN?

Email all entries to
