Oscar's Wonderful Walk!

I want to help Green Peace stop people from dumping oil in the ocean. All the money goes to a good cause. I found out about the charity at Towersley music festival. They also help stop loggers cut down rainforest, which produces most of the world's oxygen and has a huge ecosystem. I want to support the orangutans. I am going to try and go for walks every day to complete the 25 miles. I have been on one 5 mile walk in training and I felt quite good after that but very hungry.

Thanks for reading,

Oscar

It's almost time for our Autumn parent consultations. This year these will be able to be booked through Arbor. Please remember each meeting is scheduled to be 10 minutes long. If you feel you need longer after the 10 minutes is up please discuss having a further meeting with the class teacher to prevent delays for other parents. Hello Yellow

As we approach **World Mental Health Day** on the 10th of October, it's a perfect time to reflect on any challenges our children face, especially with the recent changes in social media safety.

According to a recent [BBC](#) article, nearly **60% of young people** have experienced negative impacts from online interactions.

At Cuckney we are hoping to raise awareness of the ongoing mental health challenges young people face in today's world by hosting a Hello Yellow Day.

All children are invited to make a donation to wear yellow for the day on the 10th October, they will also be taking part in classroom activities based around mental health. All money raised will be donated to youngminds.
