RE: School Lunches

Dear Parents / Carers,

I am delighted to write to inform you that we have now successfully recruited a new chef. His name is Mr Colin Watson and we look forward to welcoming him to our Cuckney team. Mr Watson is employed directly by the school which means that together, we will be able to tailor make a suitable lunchtime menu to best serve our children. This is a very exciting time and I know Mr Watson is looking forward to working with us all too.

This week, Mr Watson will serve a packed lunch option Wednesday 6th September – Friday 8th September. This is to allow time for the delivery of ingredients required for our new menu. The first week may be a slightly reduced menu as Mr Watson gets used to timings and working in an unfamiliar kitchen.

Mr Watson has been working on a delicious menu for our children with an element of choice. Each morning children will be asked to order the option they would like. Further details will be sent home later this week.

Early this term we will also conduct both parent and pupil surveys to find out what children like to eat so these can be planned into the weekly menu.

Over time we have some big ideas for working with the school community. We would like to develop links with local suppliers as well as grow some of our own produce to use in our kitchen. I will invite parents to a meeting later in the term and welcome your ideas and opinions.

Kindest regards,

L C Crossland
Head Teacher
