Headteacher: Mrs L C Crossland

3rd September 2021

Dear Parents,

Welcome to Langwith Class. I look forward to working in partnership with you this year, together with Miss Tindall, Miss Challands and Mrs. Morton.

I have written the details of the work I hope to cover with your child on a separate sheet, but our main class topic for this half term will be:-

Main topic Stone Age to Iron Age.

Our PE session for this half term will be outdoor games, which will take place on a Friday on the playground [weather permitting]. Please could you ensure that your child has their PE kit in school on this day. They can bring tracksuits for outdoor PE and have a pair of trainers.

Your child will have homework each week which will be put on Google Classroom on a Friday and needs to be returned by Wednesday morning via Google Classroom, **but this week [as a school], we need to sort out Google Classroom, so there are spellings and reading to work on in the plastic wallet.**

They have a copy of spellings to learn for a test on **Wednesday 8th September 2021. We have allocated these spelling cards from the list we were given at the end of the year.**

The children have been allocated a reading book as the children are unable at the moment to access MYon or the AR system. **Please read the book and return it to school each day for use in class.**

It is expected they will continue to work hard on their Times Table Rockstars. Your child did a times tables test today. **Please see the sheet in the plastic wallet to see today's results.** All general information and weekly class letters **after this week**, will be added to the class page on Google classroom on a Friday and on our class webpage on the school website. Please check for new information. We will also 'Tweet' any interesting photos as we take them.

It is important that we work together to help your child to make progress, so please do not hesitate to email me if you have a concern or if you would like to know how your child is doing. My email address is darmstrong@cuckney.notts.sch.uk.

I look forward to a very successful year ahead.

Yours Sincerely,
Mrs. Armstrong

Advance Notice

On Wednesday the 29th September 2021 we will be going to Brackenhurst to undertake a Stone Age activities day. Further details will follow shortly.
