Dream, Believe, Achieve.

"Nothing will be impossible with God"

Friday 25th March 2022

Dear Parents/Carers,

On **Thursday 30th June**, Thoresby Class will be visiting Magna as part of our Extreme Earth topic. We will be learning about our Earth and taking part in a class workshop completing exciting experiments.

We will also spend time exploring the museum and all the practical fun activities it has to offer.

- Children need to wear school uniform and arrive at school on time - 8:45am
- Please send children with a packed lunch as well as a drink and snack. (Please let me know if you expect school to provide this)
- Please note we will return to school at normal time, collection from the playground at normal time.

The cost of the trip will be £21.33 and is available to pay on Scopay, this can be paid in instalments or in total. Total payment must be paid by Wednesday 15th June 2022. The total cost covers:

- Transport - £13.03
- Entrance and workshops - £8.30

Unfortunately, transport costs are increasing and this does have an impact on our costings. However, we feel these experiences are so important for the wider development, education and enjoyment for your children. Without the support of our parents and careers we will be unable to offer this trip.

Please return a completed EV4 form by Wednesday 15th June 2022. We cannot take your child off site without a completed EV4.

If you have any queries or concerns about the trip please do not hesitate to contact me.

Kind regards,
Miss Scrivener
Cuckney CE Primary School
