How to support your child at home

Dear Parents/Carers,

Please find a copy of your child's home activity ideas for the Autumn Term.

These are suggestions for topic related activities that you could do at home together this term to support their learning. These are optional tasks that you might want to do and by no means have to do. They are suggested tasks and please feel free to put your own creative spin on them or to tweak them in any way you see fit. Just pick and choose as many or as little as you would like. I feel anything you do at home will only enrich and support your child's education further.

Completed activities do not need to be returned to school but please feel free to share photos on tapestry, however, should your child wish to bring in a task that they have completed to share with the class; they will earn additional rewards.

These ideas supplement our core weekly homework of;

- Reading at least three times a week.
- Practising given spellings in preparation for their Spelling Test on Monday.
- Practising timetables on Times Table Rock Stars.

Thank you for your continued support.

Mrs McNally
