Year 2 SATs Parent Meeting

Dear Parents/Carers,

We would like to invite you to a short, informal meeting to discuss the Year 2 Statutory Assessment Tests (SATs) that the children will take part in this year. The meeting will take place next Monday 7th March, straight after school in Sherwood class. The session should last approximately 20-30 minutes, where we will discuss what the SATs consist of, the process of administration and allow time for you to look at example material and ask any questions.

We are aware that the timing of this meeting may not be suitable for all parents. Please do not worry if you are unable to attend on Monday. All information shared during the session will be made available online and sent home for you to digest at your own leisure. Both Miss Worboys and Mrs McNally are happy to answer any questions you may have via email, phone call or in person, and will happily arrange a face to face meeting if you would like to discuss anything further with us.

Following on from the meeting, we will soon be offering optional after school "booster" sessions to help children prepare for the SATs and focus on specific areas that they may need to practise. This will be done through fun activities and games, and of course (most importantly) include drinks and snacks! More information about booster sessions will be sent home on Monday.

We look forward to seeing you there.

Kind regards,

The Sherwood Team ☺
