End of Year Events in Welbeck Class

Dear parents and carers,

Here we go again! I feel like every few weeks at the moment I have to open up the previous letter I wrote, keep the same subheadings and completely change the information included – for that I am sorry, it's been a whirlwind of a year. Firstly, congratulations on your child being at home again and having not sent them away to live with a long-lost relative, you're doing great. Now the updates...

### Transition to secondary schools for year 6 and year 5 'taster days'.

Meden – cancelled

Outwood Portland – cancelled

Bolsover – Monday 19<sup>th</sup> July (brave)

Elizabethans – two emails sent, no response. I'll update when they make contact.

### DARE graduation

This event has had to be scaled back as we have not yet completed the programme. DARE lesson 10 has been rescheduled for next Thursday morning (15<sup>th</sup>) and the certificates will be presented then in a scaled down ceremony.

### Year 6 leaver's prom

This event has been cancelled due to the concerns of additional congregating whilst local infection rates are on the rise. As a result, the money that was originally allocated for this event has been given to Mrs Kay and I to host a fun day for our class in school time. This will happen on Wednesday 21<sup>st</sup> July and will include food, karaoke, games and our annual water fight. Sian Kendall has expressed an interest in organising an event for the children during the summer holidays, she invites you to get in touch if you haven't already.

### Sherwood Pines

Originally scheduled for **Wednesday 21<sup>st</sup> July**, this will also now not be happening, as you may have guessed from the above content. If you have already booked a Go Ape slot for your child then you are still welcome to attend this and if that means collecting your child (and possibly their friend[s]) before the end of the school day in order to make your timeslot, that is fine.

### Water Fight

Please send your child with any water-gun or likewise contraption they may have on Wednesday 21<sup>st</sup> July. This will take place as part of our fun day.

### Theme Days

It is an end of year tradition in Welbeck class that we host theme days at the end of the year, including games console/gadget day and board game day. I'll confirm the exact dates of these once we return to school, so that you know which day their device may be going into school with them – mobile phones however are still prohibited.
