

This is the capitals machine! When sentences go in to it that do not start with a capital letter, the machine adds a capital letter in the right place. Can you write what will come out when these sentences are put in?

he played with the ball.

we made cakes with our grandma

it was a lovely day
for a picnic.

Oh no! The capitals machine is malfunctioning! Sentences have been put in and the machine has added the capital letters in the wrong place! Can you correct the machine's mistakes?

we hanG the washing on
the line On a sunny Day.

my best frieNd is good At
making Bracelets.

we aRe going to gO to the
fair Tomorrow.

Can you write your own sentence with capital letters in the wrong place for a friend to correct?

Read the story of Princess Sara. Can you add in the missing capital letters? Then can you rearrange the capital letters you have added in to make the magic words?

once upon a time, there lived a very forgetful princess called Sara. princess Sara was always forgetting things. eventually, one day the queen set her a test. "never forget these magic words," said the queen, so every day, Sara wrote down the words in case she forgot them. soon, months went by and slowly, the princess forgot to write them every day. everyone was happy, until one day, a bad dragon kidnapped the queen and locked her up in a castle. sara decided she would rescue the queen and when she arrived at the door of the castle, it spoke to her.

"after you speak the magic words, I will open," said the door. "magic words...?" Sara asked. eyes tight shut, she thought hard and at that very moment, Sara remembered the magic words and spoke them to the door...

What are the magic words? _ _ _ _ _
