

- Watch the two further shape videos here: <https://www.bbc.co.uk/bitesize/articles/zdjtjsg>

The screenshot shows a video player interface. The video title is "2D and 3D shapes: Sorting shapes Part a". The background is yellow with faint numbers. A cartoon girl with red hair and a white shirt with a yellow star is on the left. The "POWER MATHS" logo is in a circle at the top center. The Pearson logo is at the bottom right. A play button is in the bottom left corner of the video frame.

The screenshot shows a video player interface. The video title is "2D and 3D shapes: Sorting shapes Part b". The background is yellow with faint numbers. A cartoon girl with dark skin and braided hair is on the left. The "POWER MATHS" logo is in a circle at the top center. The Pearson logo is at the bottom right. A play button is in the bottom left corner of the video frame.

- Optional extra- play this interactive game:  
<https://www.bbc.co.uk/bitesize/topics/zjkphbk/articles/zf4sscw>

The screenshot shows a webpage titled "Activity 3 Karate Cats". The text says "Play the shapes level of Karate Cats Maths - can you collect a cool new costume for your cats?". Below the text is a colorful illustration of various cats and a dinosaur. The "KARATE CATS MATHS" logo is prominent. Below the illustration, it says "Game - Karate Cats Maths" and "KS1 Maths".
