

- Watch the two extra videos about shape patterns here:
<https://www.bbc.co.uk/bitesize/articles/z338bqt>

The screenshot shows a video player interface. The video title card is yellow with a background of faint numbers. On the left is a cartoon boy with black hair and glasses, wearing a blue jacket and blue pants. In the center, the text reads "2D and 3D shapes: Shape patterns Part a". Above the text is a circular logo with "POWER MATHS" in yellow. In the bottom right corner is the Pearson logo. A play button is visible in the bottom left corner of the video frame. The browser's address bar shows "bbc.co.uk/bitesize/articles/z338bqt". The Windows taskbar at the bottom shows the search bar and several open applications.

The screenshot shows a video player interface. The video title card is yellow with a background of faint numbers. On the left is a cartoon boy with blonde hair, wearing a teal jacket and brown pants. In the center, the text reads "2D and 3D shapes: Shape patterns Part b". Above the text is a circular logo with "POWER MATHS" in yellow. In the bottom right corner is the Pearson logo. A play button is visible in the bottom left corner of the video frame. The browser's address bar shows "bbc.co.uk/bitesize/articles/z338bqt". The Windows taskbar at the bottom shows the search bar and several open applications.
