# Race Through Time

Level 5

Kit and Sam are racing backwards through time to get to Albert Einstein. Why not have your own race through time?

## You will need:

- A stopwatch
- Flashcards (one set per person)

## Instructions:

- Work with a partner.
- Each take a set of cards.
- Take it in turns to have a time keeper and a reader.
- When the reader says 'go', the timekeeper starts the stopwatch.
- When the reader has read all the flashcards, the timekeeper stops the stop watch.
- The player with the quickest time wins.
- If the reader cannot read a card, they can skip it, but each skipped cards adds 10 seconds to their time.

## Challenge:

Use the blank flashcards to make your own game. Use sounds you have learnt in Level 5. Play it with a friend!
