

School Science Award Week Answer Sheet

Level 5

Use this handy answer sheet for all 'School Science Award' activities this week.

Lesson 1:

Dear Teachers,

Can you select two people in your class who should win the prize? Be careful who you select! Make sure they are the hardest workers and have made a lot of effort this year.

Put the names of the two children you would like to win the prize on the lime green form. We will then send a note home to parents to invite them. Please use a fine black pen to fill in the form.

Thank you,

Mrs West.

The winner's last name is Baker.

Lesson 2:

There are 6 real words. The winner is 6 years old.

Lesson 3:

I use lots of different test tubes when I do my experiments.

I came second in the School Science Award last year.

I complete around three experiments per week.

There are lots of fumes when I do some experiments.

I take care when I'm experimenting and tie my hair back.

I hope that my name is chosen for the School Science award.

The most popular sound is a_e. The classroom with the most people is the Y1 Classroom.

Lesson 4:

Scientists _____ lots of liquids in their experiments.	use yoos	The 2nd letter is: a
You must wear a face mask to protect you from _____	fyooms fumes	The 1st letter is: c
