Holbeck Class- Ugly Bug Ball

Dear Parent/Carer,

After a lovely day out at White Post Farm today, we are excited to share our next exciting event for this half term!

On **Friday 23rd May 2025**, Holbeck class will be having an 'Ugly Bug Ball'! This is a full day event to conclude our topic "Things That Grow" which will take place in school, during school hours. *(Please note that this is a date change from the original posted on the website and in the newsletter, so it may need updating in your diaries!)*

We are inviting the children to come to school dressed up as a minibeast/bug/creature of their choice. Some ideas are (but not limited to): butterflies, bees, caterpillars, spiders, ladybirds, snails, dragonflies etc.

Throughout the day children will take part in a variety of minibeast-themed fun activities including baking, crafts, party games/ disco, themed snack and story time, face-painting/ temporary tattoos and more! They will also have a workshop with 'Jungle Jo' who will be bringing with her lots of minibeasts for the children to learn about and handle.

We are asking for a small contribution towards the Ugly Bug Ball which will fund the minibeasts workshop and allow us to provide activities to make the day extra special. Please pay your £6 contribution via Arbor by Friday 16th May. We really appreciate your ongoing support.

If you have any questions or queries, please don't hesitate to get in touch.

Kind regards,

The Holbeck team ☺
