

**Tie a long rope around the neck and get peepul to drag the horse through them gates.
Your work is dun!**

Decorate the horse so it is impressive. It has to look like a realy cool gift so the Trojans let it through there gate!

Cut secret wholes in the side and eyes so the soldiers can quickly get in and out and see ware they are going.

Shape the wood and things into a horse shape that looks wel real and make sum nice wheels use nails and string to fix it together

draw a plan of wot you want it to look like. measure how big it needs to be to fit 30 soldiers in and get loads of wood and string
